

New Renter Information

Welcome to Great Basin Aviation!

This guide introduces the essential steps, required documents, and operational policies for new renters at Great Basin Aviation. For comprehensive details, please refer to our *Aircraft Rental Agreement*.

Aircraft Checkout

- **Renter Checkout**
 - o All new renters are required to complete an aircraft checkout with one of our instructors to confirm proficiency in our aircraft.
 - o Please refer to our *Aircraft Proficiency Check* for more information.

Required Documents

- **Pilot Certificate**
- **FAA Medical Certificate**
 - o BasicMed is not accepted due to company insurance requirements.
- **Current Flight Review**
 - o All renters are required to have had a recent flight review.
 - o Please refer to 14 CFR § 61.56 for what counts as a BFR.
- **Renter's Insurance**
 - o All renters are required to have a renters insurance policy that meets our minimum liability requirements.
 - o Our students often use Avemco, but we accept policies from other providers as long as they meet our insurance requirements.
- **Aircraft Rental Agreement**
 - o This document will be provided to you and outlines the terms and conditions for renting our aircraft.

Renter Restrictions and Privileges

- **Aircraft Usage**
 - o Maximum rental time is 4 hours, as we prioritize student use for the school.
 - o We rarely accommodate overnight rentals, but there may be exceptions.
- **90-Day Currency Requirement**
 - o Renters must stay current within 90 days in our fleet, even if they maintain currency in other aircraft.
 - o Great Basin Aviation reserves the right to require more frequent currency requirements on a case-by-case basis.
