03 FEB - 09 FEB

NEW WEEKEND LINE TECHS

We've got some exciting news for our weekend warriors! As Andrew and Derek transition into their new roles as Certified Flight Instructors (CFIs), we're thrilled to introduce two new members joining Shon on our weekend ramp rotation: Michael Bowling and Andy Glenn.

You'll soon see them sporting their distinctive red shirts, ready to lend a hand, guide you in safely, and even offer a friendly reminder if a door happens to be left open during aircraft movement, or if doors are slammed :)

Whether you're a seasoned pilot or just getting started, our team is dedicated to making your weekend flying experience as smooth and enjoyable as possible. So, don't hesitate to say hello when you see them around. They're here to ensure your time in the sky is nothing short of fantastic!

Happy flying!

REMINDERS FOR THE UPCOMING WEEK

Exciting Announcement!

Get ready to elevate your aviation skills with our upcoming in-house, lecture-based Instrument Ground School classes, led by the phenomenal CFI/CFII, Bob Bennett!

Here are the details:

- Dates: March 4th - April 10th (6 weeks)
 - Time: Every Monday and Wednesday night, 6pm-9pm
 - Cost: \$500 (includes books)
 - Location: Atlantic Aviation
 - Requirements: Basic Foreflight subscription for electronic charts
- Space is limited, so don't delay! Reach out ASAP to the GBA office (775-856-3655,

goflying@greatbasinaviation.com) to secure your spot as enrollment is on a first-come, first-served basis.

Active participation, attendance, and diligent studying are key to success in this class. Plus, completing the course fulfills the requirement for eligibility to take the FAA Knowledge Exam.

Don't miss out on this opportunity to soar to new heights in your aviation journey!

Contact GBA for more details and to reserve your spot in the Instrument class today!

JOE ARANGO – PRIVATE PILOT

Wow! What an exhilarating journey for Joe Arango, now soaring high as a private pilot!

Amidst the unpredictable weather, Joe seized the moment to flaunt his incredible skills up in the skies, and boy, did he shine!

From navigating through challenges to landing back into KRNO as a certified private pilot, Joe's journey is nothing short of awe-inspiring. Despite his packed schedule, Joe's dedication shines through, especially in his role on the night crew, where he ensures planes are prepped and ready for action under the moonlight. It's a testament to his relentless work ethic and passion for aviation.

Huge congratulations, Joe! Your hard work has truly paid off, and let's not forget to applaud Nathan Morin, his exceptional CFI, for guiding him along every step of this thrilling adventure! Here's to many more adventures and blue skies ahead!
